Types of Housing & Listings

Subsidized Rental Housing
Seniors non-profit or subsidized housing is affordable rental housing for individuals over 55 years of age with low incomes. Rent is subsidized by the government or another source and is normally set at 30% of income. Generally (though not always) there are no services provided and the apartment units are small bachelor suites. There are often long waitlists for subsidized housing, so it is important to apply early.

BC Housing Buildings
(604) 433-2218
BC Housing is a crown corporation of the province that owns and operates many subsidized buildings in BC. To apply for a BC Housing building you must get on their centralized applicant database (the "Housing Registry") by filling out a BC Housing Application. For more information contact BC Housing by phone or visit www.bchousing.org.
