Retirement Communities – Public, Private and Non-Profit
Retirement communities for older adults include some or all: meal services, emergency response system, housekeeping, social and recreational opportunities with additional assistance with personal activities such as bathing or taking medications. Assisted Living is available with or without subsidies. Public assisted living facilities are operated by the local health authority. Fraser Health requires a health assessment for admittance, and cost 70% of an individual's income. There are generally waitlists for public assisted living facilities.
